Partnership Announcement: NBS and HCF Collaboration

We are excited to announce that HCF is now partnering with NBS Health Services to provide hospital substitute treatment. HCF has contracted NBS Health to offer intravenous antibiotics and complex wound care as part of this program.

We are proud to have staff available in various postcodes across NSW and ACT, including All Sydney, Blue Mountains, Wollongong, Central Coast, Newcastle, and the Hunter regions.

Our focus is on providing IV antibiotic and complex wound care services.

If you have any clients in need of these services, please contact us via email, phone, or through our website. Additionally, you can find our referral form for patient referrals on our website or the HCF portal.
